Report of Principal and School Improvement Council

Pine Grove Elementary strives to educate children, develop strong home/school relationships and maintain partnerships with the community. Our mission is to prepare every student to be a successful, contributing citizen in a global society by providing an effective and high quality education. In order to uphold our vision we collaborate with an engaged community, we are committed to ensuring each learner achieves his/her potential in a safe, caring academically challenging and diverse learning environment that will develop productive citizens for a changing world.

Pine Grove Elementary met ten of thirteen objective goals for Adequate Yearly Progress (AYP). The academic success of our students remains our number one priority. Academic gains of improvement were made on our Palmetto Achievement of State Standards in the areas of Reading, Writing, Math, and Social Studies. Through the implementation of nature base inquiry for Science gains will be made during the 2012-2013 academic year. Faculty and staff members participated in ongoing professional development. The focus at the school level was rigor and relevance and will continue during the 2012-2013 academic year along with full implementation of common core standards. Our Positive Behavior Intervention Systems (PBIS) will also continue to be implemented with a stronger focus on responsible student behavior.

Our PTA/SIC continued parental involvement and sponsorship of many school activities. Our annual Muffins for Moms & Doughnuts for Dads celebration were well attended. A sea of mothers and fathers cascaded over our multipurpose room and had to be extended into the cafeteria. The annual Pine Grove Ball was again a huge success with the outstanding support of business partnerships, parents and the community. The students, parents, staff and community enjoyed the "It's A Family Affair" theme and the collaboration was demonstrated through the superb attendance. The Midlands Reading Consortium along with employees from The South Carolina Department of Corrections provided volunteer service time for our Lunch Buddy Program, Reading Partners and Mentors. Our faith based partners Pine Grove A.M.E. and The Church at Dutch continued to render outstanding support and sponsorship to our school. The partners donated school supplies, special gifts for needed students, and a platinum sponsor for our annual ball.

Pine Grove Elementary was awarded the Fresh Fruits & Vegetables Grant which allowed our students to indulge in nutritional snacks at least twice a week. The event that showcased the Fresh Fruits & Vegetables was rewarding to the community because every visitor was given a basket of fruits/vegetables to enjoy. Additionally, Pine Grove Elementary was a 2012 USDA Healthier School Challenge Bronze award recipient. Pine Grove Elementary also received a perfect score of 300 for exhibiting safety, positivity, ownership and knowledge customer care standards in interaction with internal and external customers.

We will continue to strive for academic success for all students. This will be achieved by a community of learners in each classroom and positive parental involvement.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
